

NEWS FROM YOUR SCHOOL COUNCIL

- Our School Council consists of a joint committee of parents, students and staff from both Dr. Hawkins and Port Hope High School. We meet once a month. A typical meeting consists of discussion on issues of concern to School Council members and reports from staff, administration, and student reps about school activities. In recent years, we have undertaken little to no fund-raising, but because both schools have "wish lists" of things they would like, we would welcome energetic fund-raisers to join us!

The Executive for the 2007-2008 school year was elected at the October meeting and is, as follows:

Chairman: Kathy Dennis
(905) 797-2228
norden@eagle.ca

Vice-Chairman: Ruth Sears
(905) 885-7097
ruthsears@sympatico.ca

Secretary Treasurer: Julie Bebee

All parents may come to our meetings, which are held on the third Monday of the month. Meetings last about 1 1/2 hours. The next meeting is November 19 at 6:30 p.m.

I hope to report School Council news to you on a regular basis this year, through the School Newsletter and schools' websites. Please feel free to call or e-mail me or our Vice-Chairman with your questions or concerns.

Kathy Dennis
